APM260408.01 APOLOGIES FOR ABSENCE

- Cllr Bright

APM260408.02 OPEN FORUM AND QUESTIONS

A resident thanked members of the Parish Council for their voluntary efforts which was appreciated by residents.

A resident praised the new website and village logo.

There was a brief discussion about speed through the village and the possibility of introducing a 20mph speed limit. It was thought that the chances of this are limited to impossible. The new school sign on the highway seems to be in the wrong place; there is no warning of the presence of school children as you come down the hill. This would be followed by the Chair.

A resident asked if there were any updates regarding the flood prevention scheme. It was pointed out that funding has been made available for flood prevention but DCC has not communicated how they will use this funding to address the issues in Kenton. The Chair will follow this up with County Cllr Connett.

APM260408.03 CLOSE

The Chairman thanked everyone for attending and closed the meeting at 7.15pm.
